

Term 1 – Learning in Southampton Class

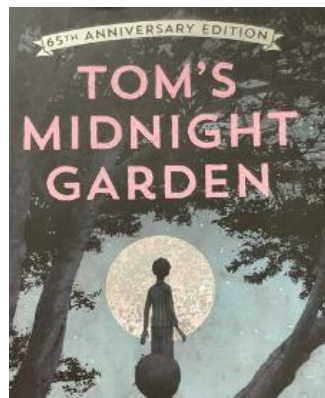

Communication:

Our focus this term is fictional writing in which we will look at the popular story of Tom's Midnight Garden, which is a truly magical, classical text written in the 1950's!

We have an exciting new aspect of communication through a newspaper called The Week through which we will develop comprehension, discussion and debating skills.

Number:

The Maths for Life programme is well under way, and we continue to work through foundation concepts starting off with simple classification of colour, shape, size or type

Healthy Lifestyles:

P.E. – Swimming

Citizenship – self-awareness

Food Technology – cooking skills

Understanding the World:

Our themed learning this term is titled:

Journeys and Migration

Humanities; What is a Geographical Journey

Science; Magnets and Movement

Ethics: Why we Travel

Art and Design; Journeys through art

Music: Piano Skills – music as a journey

Digital Technology:

In Digital Technology, our focus is on the physical components of a computer and their uses. We are also exploring Minecraft – an exciting website that supports technology and all other aspects of the curriculum, particularly nurture skills.
